

# Crafting: Wind Spiral

## Materials:

1. 4- 5 Plastic bottles
2. Scissors
3. Paint and brushes
4. (Wooden) stick
5. Rope

## Steps:

1. Wash the bottle and remove all labels. Dry the bottle.
2. Paint the bottles from top to bottom with different colors.
3. Let the bottles dry.
4. Start to cut at the bottom off the bottle (under supervision of an adult or an older child)
5. And go up in a spiral motion till 3cm under the gap of the bottle.
6. Place the opening of the bottles on a (wooden) stick.
7. Tie the rope at both ends of the stick. Then hang your wind spiral on a branch, and watch it as it spins in the wind!
